

Example text for the university website

To make sure you are fully insured when you enter the Netherlands we highly recommend you take out the Aon Student Insurance. Whether you're an exchange student or a full degree student, for each activity Aon offers the right insurance advice for your situation.

This insurance is available for all students that go abroad and offers you a comprehensive package, including but not limited to medical expenses including pre-existing medical and psychological conditions, repatriation, liability, accidents, luggage and/or home contents and legal assistance.
